

**SCAVENGER HUNT: Find Signs of a Green Campus**

Look for the items listed. Fill in the form indicating where you found each item or check the box indicating that you couldn't find it. The first one has been done for you. You don't have to list more than one place for each item, but if you do, it will make your chart more interesting.

Item	Where I found one	I couldn't find one
a bin for garbage	by the Lunch Box / at the steps of Cloud Hall / in the student union	
a bin for compost		
a bin for recycling paper		
a bin for recycling cans and bottles		
a bin for e-waste (waste from electronics)		
a sign encouraging students to recycle		
a sign saying to keep fluorescent lamps / bulbs out of the trash		
a sign asking people to keep the door closed to conserve energy		
a place to bring additional recycling		
a picture showing what should go into the garbage bin		
a picture showing what should go into the recycling bin		
a picture showing what should go into the compost bin		
a garbage bin labeled "Landfill"		
a sign relating to Earth Day		
a student putting waste in the right place		
an Office of Sustainability		
a classroom with a green course in session		
a place to dispose of your dead batteries		
a place on campus to access the Internet		
someone with a stainless steel water bottle		
a handout that makes good use of paper		
<b>Option:</b> Create a separate Web Quest scavenger hunt assignment to find out about the green-ness of other campuses. Instead of a physical location, give the URLs plus a one-sentence summary of the website.
