

***Why Not Us?***  
**Social/Digital Media Guide**

---

*Why Not Us?* follows the journeys of four students—all first in their families to go to college—as they travel across the country to interview inspiring leaders who were also first in their families to pursue higher education.

Hitchhike along as the the road-trippers gain hope and wisdom from trail-blazers like Girl Scouts of America CEO Anna Maria Chávez, Grammy Award-winning singer John Legend, and AT&T CEO Randall Stephenson. Inspired by the stories of those who’ve gone before them, the road-trippers are empowered to embrace opportunity and ask, “why *shouldn’t* we succeed?”

A scenic view of a lake at sunset with mountains in the distance. The sky is a mix of light blue and orange, and the water is calm with gentle ripples. The mountains are silhouetted against the horizon.
